

Information on Disposal of Old Electrical and Electronic Equipment (applicable for countries that have adopted separate waste collection systems)

Products with the symbol (crossed-out wheeled bin) cannot be disposed as household waste. Old electrical and electronic equipment should be recycled at a facility capable of handling these items and their waste by products. Contact your local authority for details in locating a recycle facility nearest to you. Proper recycling and waste disposal will help conserve resources whilst preventing detrimental effects on our health and the environment.

Informazioni sui riciclaggi di apparecchiature elettriche ed elettroniche (applicabile nei paesi che hanno adottato sistemi di raccolta separata)

I prodotti con il simbolo (cestino con ruote barrato) non possono essere smaltiti insieme ai normali rifiuti di casa. I vecchi prodotti elettrici ed elettronici devono essere riciclati presso una apposita struttura in grado di trattare questi prodotti e di smaltirne i loro componenti. Per conoscere dove e come recitare tali prodotti nell'area a voi più vicina, contattate l'ente pubblico di competenza. Un'opportuno riciclo e smaltimento aiuta a conservare la natura e a prevenire effetti nocivi alla salute e all'ambiente.

Information on the recycling of electronic equipment (applicable to countries that do not have a separate waste collection system)

Produktos con o símbolo (cesto con rodas barrado) non poden ser desechados xunto con os restos casuais de residuos domésticos. Contacte as autoridades locais para obter información sobre como e onde reciclar os seus produtos e os seus efectos nocivos para a saúde e o medio ambiente. Un reciclado adecuado e eliminación dos residuos axudará a conservar os recursos e a prevenir efectos prejudiciais na saúde e no medio ambiente.
